

Prepare Candidates for Assessment

NZQA Unit Standard 11281

| Unit Standard Included: | Number | Level | Credits |
|---|--------|-------|---------|
| Prepare candidates for assessment against standards | 11281 | 4 | 3 |

The purpose of this module is to demonstrate your ability to prepare candidates for assessment.

By the end of the assessment you will have prepared a candidate for two different assessments, or prepared two different candidates for two different assessments.

Summary of assessment tasks:

You will be required to do three different things to complete this assessment:

- Task One - Prepare for the assessments.
- Task Two - Prepare your candidates for assessments.
- Task Three - Summarise the assessment process.
