General conditions for the programme leading to the qualification

| | |
|---|---|
| General conditions for programme | <ul style="list-style-type: none"> - Outcomes should be integrated across programme design in a way that makes it clear outcomes are mutually supportive and not entirely discrete. - In a programme, assessment of all outcomes should be integrated so each assessment task provides evidence of at least two outcomes in ways that demonstrate their interdependence. - Practicum experience must be carried out in an authentic teaching or training context. <i>Authentic</i> refers to a wide variety of possible cultural and educational contexts, and involves instructional techniques that connect what candidates learn to the world beyond the classroom and enable the application of the learning in that world. - During practicum, candidates may be working with learners 18 years and under. In this case, practical experience will require a safety check to comply with the requirements of the Vulnerable Children Act 2014. For more information on the Vulnerable Children Act 2014, safety checking regulations and guidelines see http://childrensactionplan.govt.nz. - Programme must provide opportunities for candidates to engage in reflective practice throughout the course of study. |
