

## Programme Details

### Programme Overview

**Programme number** 125213

**Title** Diploma in Business Specialising in Leadership or Project Management (Level 5)

**Type** Diploma

**Owner** Learn Plus Limited (7911)

**Level** 05

**Total credits** 120

**Total learning hours** 1200

**Aim** This programme provides learners with the skills, knowledge and insights to effectively perform in an organisation in a manner that contributes to, and shows, an understanding of the organisation's objectives. Underpinned by advanced knowledge of core business principles, processes and communication expectations, graduates will apply their area of speciality in an ethical manner aligned with the diverse cultural and legislative contexts of the New Zealand business environment.

This programme is suitable for individuals who are currently working inside a New Zealand business or volunteer organisation.
