

GET NZQA CERTIFIED

LEARN PLUS™

**AS A METHAMPHETAMINE SCREENER
COMPLY WITH NZS8510:2017**

There are two parts to your certification

Online theory – Your pace, your place, less time out of the office.

Workplace evidence and/or practical ½ day class (or SKYPE) for practical assessment!

Enrol now – workshop space is limited.

PART ONE: Unit Standards 30892-93 \$450

Online learning and theory assessment

Sign up anytime. Receive access within 24 hours of submitting the online enrolment form with your payment. Go to the “enrol” section at www.learnplus.ac.nz

Once enrolled, complete the online modules and download and complete the comprehensive NZQA theory assessment. Submit by email at a date that works for you. This should be completed before Part Two.

PART TWO: Unit Standard 30894

(If you are IANZ accredited we can recognise your own practical competence on presentation of the required evidence of your individual certification at your current workplace – fee is \$75 in lieu of doing the workshop options below)

You will need to download the practical assessment and review it. Then -
EITHER

Practical ½ day workshop (Palmerston North or Auckland – other locations on request) including assessment and workplace evidence \$500	Practical assessment at work with video/photo/workplace evidence \$450	Practical assessment at work with SKYPE observation and workplace evidence \$600
	(for experienced screeners only)	

Add GST to all prices / 30982 only \$250 / 30983 only \$250

To enrol go to the “enrol” section at www.learnplus.ac.nz or if you have questions email helen@learnplus.ac.nz
